

MID-KENT COLLEGE BUILDING FOR 21 CENTURY SKILLS

One of many visits Jonathan has made to College in recent years.

Jonathan is supporting plans for a new College. The existing buildings on the Horsted and City Way sites are passed their sell by date and the area needs a facility fit for the 21 century. A brand new £53 million building will help deliver the skills our young people need for our future prosperity.

PINK HAIR SUITS YOU SIR!

During the summer Jonathan met with the children, parents and staff of Eccles pre-school to celebrate their 30th year anniversary. Jonathan congratulated all those involved, including Isobel Hann (pictured).

WEEDSWOOD

The £1m funding to improve the Weedswood area is now being invested. Road resurfacing in the area has recently started and should be completed soon thanks to funding from the Office of the Deputy Prime Minister.

MORRISONS

Jonathan has condemned Morrisons for their decision to close Aylesford distribution centre. More than 1,000 jobs could be lost. Jonathan had received assurances from the company that they would retain Aylesford when it was bidding to take over Safeway's but Morrisons have failed to keep to this agreement.
